earlier no?

A. I did not.

Q. Okay. The sheriff's office did not?

A. Not to my knowledge.

Q. Okay. Mr. Shelton provided y'all with an appraiser for this. Is that correct?

A. The name was given.

Q. Okay. Did anybody at the sheriff's office contact Mr. Lacour before he made his appraisal?

A. I do not know.

Q. Who would know that?

A. Kim Flournoy.

Q. Have you asked Kim?

A. No, I have not.

Q. Okay. Have you reviewed the file?

A. Yes.

Q. Did anything in the file indicate that anybody from the sheriff's office contacted Mr. Lacour prior to him making his appraisal?

A. I don't remember that. I know afterwards but not before.

Q. Okay. And when you say you know afterwards rather than before, you mean after the appraisal, you know of contact versus before the appraisal?

A. Yes.

1 Q. Okay. This is Exhibit 9 from Chief Miller's
2 deposition. It was a letter on October 10, 2018 from
3 Mr. Shelton to Mr. Lacour. This is providing
4 Mr. Lacour documents and information for the purpose
5 of making his appraisal.

6 Did the sheriff's office request that
7 Mr. Shelton send this letter?

8 A. I do not know.

9 Q. Is it normal procedure for the judgment
10 creditor's counsel to provide all the information to
11 the third appraiser?

12 A. I do not know.

13 Q. Well, in normal procedure in your office,
14 sheriff's office?

15 A. Ask that again.

16 Q. Let me go back to -- I'm going to ask that
17 again, but let me ask when you talk about obtaining a
18 third appraisal for land sale or a house that's been
19 foreclosed on, does the sheriff's office provide the
20 information to the third appraiser so that he can --
21 so that the third appraiser may make the appraisal?

22 A. They would get a copy of the writ.

23 Q. Okay.

24 A. Which gives the description of the property.

25 Q. Okay. And if the appraiser had any questions

1 for the sheriff's office, would the sheriff's office
2 provide them what they could?

3 A. Yes.

4 Q. Okay. So my question here is, is it the
5 normal process of the sheriff's office to have the
6 judgment creditor's counsel provide all the
7 information to the third appraiser?

8 MS. PARKS: Objection to form. I don't
9 believe she testified that she had the judgment
10 creditor's counsel provide all the information.

11 MR. POWELL: She did not. I'm just asking
12 if it's -- if the act that occurred here would be
13 normal procedure for the sheriff's office. She said
14 earlier -- I know that she may say that she did not
15 direct it. I'm saying is it normal procedure for this
16 to occur.

17 A. I don't understand.

18 BY MR. POWELL:

19 Q. Okay. So this is a letter --

20 A. Uh-huh.

21 Q. -- from Curtis Shelton, who is Mr. Lucky's
22 counsel. Let me ask this. Is Mr. Shelton, the
23 sheriff's office counsel in any way?

24 A. Is Mr. Shelton?

25 Q. That's correct.

1

A. No.

2

Q. Okay. Mr. Shelton provided Mr. Lacour, who is the third appraiser, the documents for which he was to rely upon in making his appraisal.

3

Is it normal procedure for the judgment creditor's counsel to provide that information to the third appraiser?

4

A. This is not normal --

5

Q. Okay.

6

A. -- in our procedure.

7

Q. Okay. Who in the office reviewed Mr. Lacour's appraisal when it was presented to the sheriff's office?

8

A. Kim Flournoy would have received it.

9

Q. Okay. Who would make the decision at the sheriff's office that Mr. Lacour's appraisal could be used to set the note's value for the October 24th, 2018 sheriff's sale?

10

MS. PARKS: Objection to form. You can answer it, but.

11

MR. POWELL: I feel pretty good on the form, so you can go ahead.

12

MS. PARKS: The question assumes that someone in the sheriff's office makes that determination. I think you should first ask her if

1 appraisal?

2 A. I am not.

3 Q. Okay. Was there any communication to
4 debtor's counsel regarding Mr. Lacour?

5 A. I do not know.

6 Q. Who would know that? Would it be Kim
7 Flournoy?

8 A. Yes.

9 Q. If there was communication with debtor or
10 debtor's counsel, the sheriff's office could provide
11 that in this matter; correct?

12 A. It's part of what's on record.

13 Q. If it's -- if there was communication with
14 the debtor or debtor's counsel regarding Mr. Lacour's
15 identity prior to his appraisal, the sheriff's office
16 could provide evidence of that?

17 A. If there was.

18 MR. SHELTON: I'm -- she was asked and
19 answered that. Okay. Go ahead. If there was. Okay.
20 If there was evidence.

21 THE WITNESS: If.

22 BY MR. POWELL:

23 Q. Yeah. They could provide that. Okay. We've
24 discussed how this was a -- I believe y'all used the
25 term "unusual." I may have said that wrong, but this
